

## Ohio Revised Code

### Section 4723.64 Administration of medications by medication aides.

Effective: October 12, 2016

Legislation: House Bill 483 - 131st General Assembly

---

A nursing home, residential care facility, or ICF/IID may use one or more medication aides to administer prescription medications to its residents, subject to both of the following conditions:

(A) Each individual used as a medication aide must hold a current, valid medication aide certificate issued by the board of nursing under this chapter.

(B) The nursing home, residential care facility, or ICF/IID shall ensure that the requirements of section 4723.67 of the Revised Code are met.
